Well here we are, surviving a long winter, back where we love to be, a sunny if cold afternoon, at Priory the home of Bowls in Worthing. The green is a credit to our green keepers so early in the year, it played very well. The members didn't do too bad either, the score is of no concern it was about renewing old comradeship's, and of course the banter, a key factor of a good club. We welcomed two new members to the green today Adrian and John both proved to be a very useful additions to the Priory. The best bit we can return to do it all again next week.

A good effort to field 27 players at this time of the year with more than a hint of rain in the air. Best effort must be given President Derek who was back on the green after a 2 year absence. Players reported a bot of turn which must provide encouragement for later in the year. Win or lose each player will get 0.5 ranking ponts to get them going for the new season.

Not our finest hour, but on a positive view good learning curve, by that I refer to fact that Southwick had most of their Brodie League winning side playing in this friendly match, the newer bowlers of Priory have nothing to worry about. So a well done to them, for not letting their heads drop and kept going.

Reserves: D. Meechan. A. Wareham.
